

# Logo Contest

Event Coordinator: Karen LaDuke: [kladuke@alexandercsd.org](mailto:kladuke@alexandercsd.org)

## The Task:

Create a logo that epitomizes the essence of Tech Wars. This logo will be reproduced onto tee shirts and promotional materials, so it is important that it is not cluttered with many images, and sticks to a basic graphic grab-your-attention design.

## Criteria:

*Tech Wars 2019* should be clearly visible in the logo.

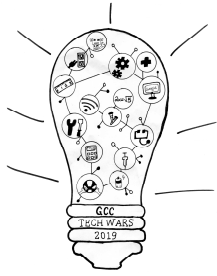

- **Mark MS or HS on the back of entry in addition to School # and Student name**  
The logo must be drawn on 8 ½ x 11" paper and should be the size that the logo will be reproduced \_\_\_\_\_.

The logo must be in only black and white with strong contrast.  
50% black and 50% white is ideal.

Clarity of a simplistic image that reflects the essence of Tech Wars is of utmost importance.

Students must work independently and no group work may be submitted.

The rubric on the following page will be used for judging purposes on the day of the event; please refer to it frequently while planning, drawing, and critiquing your logo.
