

MS Sculpture

Event Coordinator:

Karen LaDuke kladuke@alexandercsd.org

Your task:

Create a sculpture that shows pride in
Our Local Agricultural heritage:

This is intentionally open ended.

Before you begin creating, brainstorm all the varieties of agriculture in our county.

Plan carefully and be unique!

You may work as a group or individually.

Size requirement: 18" X 18"

Nothing larger will be accepted.

Your sculpture must be kinetic.

It must have at least one moving part.

The movement can be from any source: wind, electricity, water, springs, viewer's interaction with the sculpture, etc.

**Be original, creative, and an innovated
thinker on your design.**

Craftsmanship, aesthetics, and neatness are extremely important!
